Do we still have to use the BT remote for the guide and recording/playing recorded programs or can it be set up so we only need the LG Magic remote? So far we can change programs on the tv using either the numbers or arrows up/down on the magic remote but no guide to do it from. When we try to set tv up to tune programs it says none found! Driving me mad googling for the last 2 days! Julie . 0 ...

There really shouldn't be a problem as I've 2 Youview boxes but only 1 of those accesses the BT subscription channels - that should be the only limitation. It shouldn't matter where the box was sourced from. I think maybe I'd try a Maintenance Mode reset - see here for details. If you've no recordings on that new box then use option 5 otherwise ...

It works fine when I know the channel number I want to change to, but if I go into the menu or Guide, it is so slow that inconsistently works. For example, if i'm scrolling down the listings, it may move 1 line down, but then seem to freeze and so I then have to actually stand by the box and use the scroll buttons on the top of the box! Sadly, BT do not seem to understand and sent me a new ...
