This book has been written for PACES candidates by a team of authors who are themselves recent PACES candidates. Frustrated by the lack of suitable revision material available, the authors drew upon their own experiences of studying and the exam to create this concise revision aid. Presented in a case study format to match the exam, the book has an informal writing style.

Now in full colour, it features new case material, updated content on ethics and law, and revised brief clinical consultations that better reflect the current exam. Cases for PACES also includes hints and tips for preparing for the exam, and what to expect on the day. The authors have condensed their own experiences in learning and teaching PACES to provide you with exactly what you need to pass. With its informal style it is ideal for self-directed learning in groups, and will help you hone ...
