The Bradley method of natural childbirth (also known as "husband-coached childbirth") is a method of natural childbirth developed in 1947 by Robert A. Bradley, M.D. (1917–1998) and popularized by his book Husband-Coached Childbirth, first published in 1965. The Bradley method emphasizes that birth is a natural process: mothers are encouraged to trust their body and focus on diet and exercise throughout pregnancy; and it teaches couples to manage labor through deep breathing and ...
