[Problem solution in a sentence \(esp. good sentence like ...\)](#)

"In a problem-solution essay, the thesis statement usually proposes the solution. Because readers must first understand the problem, the thesis statement usually comes after a description of the problem. The thesis statement does not have to give details about the solution. Instead, it summarizes the solution. It should also lead naturally to the body of the essay, preparing your reader for a discussion of how your solution would work."
