Jessie Burton excels with a rich, sensual vocabulary that makes her easy to read yet brings to life people, places, and the world of creativity without the reader being aware of it, blending it into the narrative seemingly without effort, though a great deal of effort must have gone into this work for the research alone. This book is about the impediments women face both practically and ...

[The Muse Quotes by Jessie Burton - Goodreads](#)

British author Jessie Burton's sophomore effort juggles two eras: 1960s London and central Spain at the start of the Spanish Civil War. Like *The Miniaturist* (2014), *The Muse* focuses on a work of art that influences the lives around it. In this case, the work is a significant Spanish painting with a mysterious provenance that links the lives of three women over four decades.
