Cheryl - Cleveland, Ohio Viper 1-Button Value 2-Way Remote Start System Best thing I ever put in a car. I live in Wisconsin where winter cold is colder than cold, it is great to walk outside and get into a warm car, windshield is clear of snow and ice, I bought and had it installed by Best Buy, it works great and the installer was very helpful and still is when I call with a quick question.

Have fitted the Viper and calibrated it to my liking (touch wood). I broke the damn reed switch when pulling the circuit board out but luckily I managed to solder another one on from a spare door contact I have another question which I'll post in another thread so as not to hijack this one. Thank again, and Merry Christmas! Pithead, 25 Dec 2011 #6. bsbsys. Joined: 24 Jan 2012 Messages: 4 ...

The Honeywell PC.09003.20 Viper GL shock sensor provides an immediate indication of an attack, flashing LED's also indicate where entry has tried to be gained. The PC.09003.20 is controlled via a link as opposed to switch, but still offers patented double knock sensors with re-settable remote LED options. The sensor covers a nominal radius of 2.5M and also features a dual sensitivity control ...
