Nov 29, 2020

[War After Death Steven Miller](#)

Steven Miller is Associate Professor of English and Director of the Center for Psychoanalysis and Culture at the University at Buffalo, SUNY. He is author of War After Death: On Violence and Its Limits and translator of books by Catherine Malabou, Étienne Balibar, and Anne Dufourmantelle.

[Uncle Blasts Stephen Miller After Grandmother Dies of Covid](#)

In his book "War after Death: On Violence and its Limits," Steven Miller presents the theory that war is very different from the stories we tell about it. He argues that killing and death are often the narrative, but that there are still many other nonhuman casualties, including the fall of ecosystems and the loss of artworks, archives, personal property and intangible cultural traditions.
