WAR IN OUR WAKE is an interesting book about the end of the war in Vietnam as told through the eyes of a young Naval officer on board a guided missile destroyer. As a member of the crew from 1970 to 74, I had seen some of the horrors of war and was glad to read about the valiant efforts of the Benjamin Stoddert sailors to save as many citizens of Vietnam as they could from certain death. The author did a good job of making his story readable by non Navy people.
